# DELIVER 9 BIGGEST

**7**  
YEAR

LDV WARRANTY

With extra height, space, and support, the **LDV Deliver 9 Biggest** is your reliable partner on the road, equipped to handle long days and heavy loads effortlessly. Enjoy ample cargo space, upgraded advanced safety features, and unmatched versatility, ensuring peace of mind and efficiency for your business.

## POWERFUL PERFORMER

Running an advanced, economical and upgraded 2.0 litre Euro V1 turbo-diesel engine, this engine also yields an appreciable rise in power and torque: at 128kW and 420Nm it marks a substantial increase of 20kW in power and 45Nm in torque compared to the previous Deliver 9.

## WORK IN COMFORT

Find your fit with an 8-way adjustable driver's seat and space for two extra passengers upfront. With plenty of space and support, the Deliver 9 Biggest is built to help you handle long days on the road. The versatile passenger seat doubles as a workspace with cup and laptop holders, while ample under-seat and overhead storage keeps your gear organised. Stay connected with a new upgraded 12.3-inch infotainment system (up from 10.1-inch on MY23 vehicles) that comes complete with Apple CarPlay®, Android Auto™, digital radio and a high-definition rearview camera (not available in the cab chassis variant).

Enjoy comfort, functionality, and connectivity on the go, making every journey effortless and enjoyable.

## HEAVY LIFTER

Inside the cargo, find heavy duty tie-down rings, an easy grab handle and LED lighting help you manage even your biggest payloads. Open the 236-degree opening cargo doors to pack the floor space capable of fitting three standard pallets, then get to stacking with the 2,012mm height. The low floor clearance and rear step makes loading a breeze. Couriers, campers and tradies will love the Deliver 9 Biggest.

- Dual sliding doors
- Warranty 7-Years/200,000km\* (whichever occurs first)

Disclaimer: Safety technologies may not operate optimally under all driving conditions, operation and effectiveness depends on many factors. Driver is responsible for safe and attentive driving. Safety technologies are not a substitute for the driver's control over the vehicle. See owner's manual for complete details. Payload and tare weight figures are based on vehicle certification. It is the driver's responsibility to ensure: weight of fully loaded vehicles do not exceed GVM; front and rear axle load limits are not individually exceeded; the combined weight of the fully loaded vehicle (including tow ball download when towing) and trailer does not exceed the GCM; compliance to New Zealand towing regulations. Payload is the combined value of occupants, luggage, cargo, added options, accessories and tow ball download (when towing). Tare weight includes the vehicle with 10 litres of fuel and all standard equipment excluding occupants. Additional weights of optional features, occupants, luggage, cargo, accessories and tow ball download (when towing) must be taken into account when calculating payload and tare weight. When a genuine tow bar with wiring is fitted, and trailer is attached, parking sensors will be disabled.

\*The warranty is for a period of 7 years or 200,000kms / 160,000kms for EVs (whichever comes first), from the date of first registration, provided that the vehicle is serviced as per the maintenance schedule set out in the Service & Warranty Booklet. It covers manufacturing defects caused by factors such as design, assembly, and raw materials of the covered parts along with all-inclusive roadside assistance. It excludes routine maintenance, wear-and-tear items, and damage caused by misuse, accidents, or unauthorised repairs. Warranty claims require proof of purchase and service records. This warranty complies with local laws and does not affect your statutory rights. This is valid on all vehicles registered on or after 1 December 2024. For full details, visit <https://ldv.co.nz/warranty/>.

ALL RIGHTS RESERVED. LDV New Zealand reserves the right to vary vehicle specifications and standard features in New Zealand from those detailed in this brochure. Vehicles shown in this brochure may be fitted with accessories or may feature equipment that is not available in New Zealand-spec models. Please check with your local authorised LDV Dealership. Disclaimer: Safety technologies may not operate optimally under all driving conditions, operation and effectiveness depends on many factors. Driver is responsible for safe and attentive driving. Safety technologies are not a substitute for the driver's control over the vehicle. See owner's manual for complete details. Payload and tare weight figures are based on vehicle certification. It is the driver's responsibility to ensure: weight of fully loaded vehicles do not exceed GVM; front and rear axle load limits are not individually exceeded; the combined weight of the fully loaded vehicle (including tow ball download when towing) and trailer does not exceed the GCM; compliance to New Zealand towing regulations. Payload is the combined value of occupants, luggage, cargo, added options, accessories and tow ball download (when towing). Tare weight includes the vehicle with 10 litres of fuel and all standard equipment excluding occupants. Additional weights of optional features, occupants, luggage, cargo, accessories and tow ball download (when towing) must be taken into account when calculating payload and tare weight. When a genuine tow bar with wiring is fitted, and trailer is attached, parking sensors will be disabled.

Terms and conditions: \*The warranty is valid for vehicles registered on or after 1 January 2025 and covers a period of 7 years or 200,000kms (whichever comes first) for Internal Combustion Engine (ICE) powered vehicles or 7 years or 160,000km (whichever comes first) on Electric Vehicles (EVs), starting from the date of first registration. It covers manufacturing defects caused by issues such as design, assembly, or raw materials in covered parts but excludes routine maintenance, wear-and-tear items, and damage caused by misuse, accidents or unauthorised repairs. To maintain the warranty, the vehicle must be serviced as per the maintenance schedule set out in the Service & Warranty Booklet. Warranty claims require proof of purchase and service records. The initial Warrant of Fitness (WOF) is provided at vehicle registration, with subsequent annual inspections required from the 3rd year. This warranty covers the subsequent WOF inspections at years 3, 4, 5, 6, 7 at an LDV Authorised Service Centre. This warranty complies with local laws and does not limit or exclude your statutory right under the Consumer Guarantees Act. Exclusions apply: COF inspections and certification costs for Deliver 9 (heavy-duty) vehicles are not covered by the LDV Warranty. Warranty coverage applies to eligible WOF vehicles.

ALL RIGHTS RESERVED. LDV New Zealand reserves the right to vary vehicle specifications and standard features in New Zealand from those detailed in this brochure. Vehicles shown in this brochure may be fitted with accessories or may feature equipment that is not available in New Zealand-spec models. Please check with your local authorised LDV Dealership.
