TERRON 9 4X4 RANGE

7 YEAR
200,000KM

LDV WARRANTY
ROADSIDE ASSIST & WOF*

Born for adventure and packed with presence, the LDV TERRON 9 is designed for those who demand more from their ute. Bold in appearance and loaded with performance, technology, and comfort, the LDV TERRON 9 is as the customers who rely on it to get the job done right. The Terron 9 combines the best of both worlds – serious ability with impressive comfort. Built for hard work and weekend escapes.

PACKED WITH POWER

This versatile ute is designed for work and play, powered by a 2.5L turbo-diesel engine producing 163.5kW of power and 520Nm of torque. Hauling heavy loads is a breeze with 3,500kg braked towing capacity.

GO-ANYWHERE CONFIDENCE

Ideal for Kiwi tradies, rural, fleet and corporate customers, TERRON 9 is a genuine 4WD workhorse, equipped with multiple terrain modes, and off-road expert information, including altitude, compass, and approach angle. Its exceptional off-road capability is enhanced by double-wishbone suspension up front and sturdy leaf spring suspension in the rear.

Designed to help Kiwi businesses keep working harder every day with an impressive payload of up to 1,100kg*, and a spray-on tray liner with four fixed tie-down points.

*Elite models only.

INTUITIVE TECH AND SAFETY

Technology is at the forefront of the LDV TERRON 9, with features including a 360° panoramic camera, Daytime Running Lights (DRL), LED headlights, and a dual 12.3" display combining the infotainment screen and digital instrument cluster. Wireless Apple CarPlay® and Android Auto™ provide seamless smartphone connectivity.

Safety comes standard with features such as Lane Keep Assist, Speed Limit Recognition and a Blind Spot Monitoring System.

COMFORT YOU WOULDN'T EXPECT FROM A UTE

Upgrade to the Terron 9 Premium model and enjoy heated leather seats, a ventilated driver's seat with massage and memory functions, and a heated steering wheel that bring a new level of comfort to every journey. Ambient lighting adds a refined touch to the cabin, while JBL speakers elevate every drive. (Premium model only).

- 12.3" dual infotainment screen and instrument cluster
- Wireless Apple CarPlay* and Android Auto™
- Blind Spot Assist system, Lane Keep Assist
- 360° Panoramic Camera with 3D Around View Monitor

Disclaimer: Safety technologies may not operate optimally under all driving conditions, operation and effectiveness depends on many factors. Driver is responsible for safe and attentive driving. Safety technologies are not a substitute for the driver's control over the vehicle. See owner's manual for complete details. Payload and tare weight figures are based on vehicle certification. It is the driver's responsibility to ensure: weight of fully loaded vehicles do not exceed GVM; front and rear axle load limits are not individually exceeded; the combined weight of the fully loaded vehicle (including tow ball download when towing) and trailer does not exceed the GCM; compliance to New Zealand towing regulations. Payload is the combined value of occupants, luggage, cargo, added options, accessories and tow ball download (when towing). Tare weight includes the vehicle with 10 litres of fuel and all standard equipment excluding occupants. Additional weights of optional features, occupants, luggage, cargo, accessories and tow ball download (when towing) must be taken into account when calculating payload and tare weight. When a genuine tow bar with wiring is fitted, and trailer is attached, parking sensors will be disabled.

*The warranty is for a period of 7 years or 200,000kms / 160,000kms for EVs (whichever comes first), from the date of first registration, provided that the vehicle is serviced as per the maintenance schedule set out in the Service & Warranty Booklet. It covers manufacturing defects caused by factors such as design, assembly, and raw materials of the covered parts along with all-inclusive roadside assistance. It excludes routine maintenance, wear-and-tear items, and damage caused by misuse, accidents, or unauthorised repairs. Warranty claims require proof of purchase and service records. This warranty complies with local laws and does not affect your statutory rights. This is valid on all vehicles registered on or after 1 December 2024. For full details, visit <https://ldv.co.nz/warranty/>.

ALL RIGHTS RESERVED. LDV New Zealand reserves the right to vary vehicle specifications and standard features in New Zealand from those detailed in this brochure. Vehicles shown in this brochure may be fitted with accessories or may feature equipment that is not available in New Zealand-spec models. Please check with your local authorised LDV Dealership. *Figure based on NEDC (New European Driving Cycle) static laboratory combined average city and highway cycle test mandated by ADR 81/02. Range figure are laboratory test results only based on standardised testing conditions which measure, energy consumption and range. Actual real world range results will likely be less and to the extent that they are less will depend on a combination of factors including but not limited to load, traffic conditions, driving style, type of journey, vehicle configuration, battery age and condition, use of vehicle features (such as heating and air conditioning), as well as operating, environmental and climate conditions. It is for comparison purposes only and not intended to be give an accurate indication of what might be achieved in the real world.
