eT60

7 YEAR

LDV WARRANTY
& ROADSIDE ASSIST

New Zealand's first 100% electric ute, the **eT60**, not only turns heads on the road but also goes easy on your wallet. Combining practicality with functionality, the eT60 is an ideal option for light to medium commercial tasks.

FULLY CHARGED

Our batteries use various cooling methods, reducing charge time and getting you back on the road, sooner.

Model	MOTOR	BATTERY
eT60	130kW	310 Nm

LET ME ENTERTAIN YOU

Enjoy a massive 10.25" touch screen display loaded with Apple CarPlay®. Simply hook up your smartphone to fuse it with the eT60. From the centre display, you can now make calls, send or receive messages and listen to music.

THE MUST-HAVES

As a standard, the eT60 features a rear camera and park assist along with air conditioning, power front windows, side mirrors plus plenty of storage!

SAFETY FIRST

The chassis is fully calibrated. Anti-lock braking (ABS), Emergency Brake Assist (EBA) will ensure you're prepared for any situation.

The Hill Start Assist (HSA), Traction Control System (TCS) will have you feeling secure in the busy city streets, multi-laned highways and rural back roads.

The eT60 is one of the safest double-cab utes on the market, equipped with Electronic Stability Program (ESP), Roll Movement Intervention (RMI) and front and rear fog lamps plus driver, passenger, side and curtain airbags. It's safe to say, we've got your back!

CUSTOMISATION

Talk to us about colour choices, customisation, signwriting, parts and accessories – we'll see you right.

eT60

7 YEAR

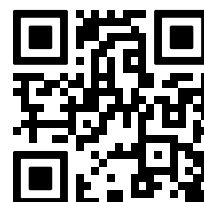

LDV WARRANTY
& ROADSIDE ASSIST

The LDV eT60 is New Zealand's first fully electric ute, built tough for work and adventure, it offers zero emissions without compromising capability.

KEY FEATURES

- Apple CarPlay*
- Rear Parking Sensors
- Reversing Camera
- Electronic Stability Program
- Warranty 7-Years/160,000km* (whichever occurs first)

Disclaimer: Safety technologies may not operate optimally under all driving conditions, operation and effectiveness depends on many factors. Driver is responsible for safe and attentive driving. Safety technologies are not a substitute for the driver's control over the vehicle. See owner's manual for complete details. Payload and tare weight figures are based on vehicle certification. It is the driver's responsibility to ensure: weight of fully loaded vehicles do not exceed GVM; front and rear axle load limits are not individually exceeded; the combined weight of the fully loaded vehicle (including tow ball download when towing) and trailer does not exceed the GCM; compliance to New Zealand towing regulations. Payload is the combined value of occupants, luggage, cargo, added options, accessories and tow ball download (when towing). Additional weights of optional features, occupants, luggage, cargo, accessories and tow ball download (when towing) must be taken into account when calculating payload and tare weight. When a genuine tow bar with wiring is fitted, and trailer is attached, parking sensors will be disabled.

*The warranty is for a period of 7 years or 200,000kms / 160,000kms for EVs (whichever comes first), from the date of first registration, provided that the vehicle is serviced as per the maintenance schedule set out in the Service & Warranty Booklet. It covers manufacturing defects caused by factors such as design, assembly, and raw materials of the covered parts along with all-inclusive roadside assistance. It excludes routine maintenance, wear-and-tear items, and damage caused by misuse, accidents, or unauthorised repairs. Warranty claims require proof of purchase and service records. This warranty complies with local laws and does not affect your statutory rights. This is valid on all vehicles registered on or after 1 December 2024. For full details, visit <https://ldv.co.nz/warranty/>.
